

## CHICAGO BLACKHAWKS TOUR

### **FIFTH-THIRD ARENA - PRACTICE ICE RINK**

*1801 W. Jackson Avenue, Chicago*

This facility was built in 2017 to house the Blackhawks practice ice rink and its storage issues. It is also open to the public.

### **UNITED CENTER (1994-present) - ARENA**

*1901 W. Madison Street, Chicago*

Both the Chicago Blackhawks and the Chicago Bulls use the United Center to play their home games at. The building also houses both teams front offices. The arena opened in 1994, replacing the Chicago Stadium for both teams. It holds 17,919 spectators for hockey.

### **CHICAGO STADIUM (1929-1994) - SITE**

*1800 W. Madison Street, Chicago*

The Chicago Stadium was finished in 1929 and was the largest indoor arena at the time. It was air conditioned, which tended to create fog inside. This is the original Madhouse on Madison. It initially held 26,000 spectators, but only 18,472 when it closed in 1994.

### **CHICAGO COLISEUM (1926-1928) - SITE**

*1513 S. Wabash Street, Chicago*

The third Chicago Coliseum was built from parts of Libby Prison from the Civil War in 1899. In 1926 it constructed an ice rink for the newly founded Chicago Black Hawks of the NHL to play hockey. This arena held about 6000 spectators.
